2026-27 Grymes Memorial School
Communicable Diseases Policy

I understand that I must inform Grymes Memorial School within 24 hours or the next school day after my child or any member of my immediate household has developed any reportable communicable disease, as defined by the State Board of Health, except for life threatening diseases which must be reported immediately. Likewise, when children in the class have been exposed to a communicable disease, parents will be informed within a day's notice.
