---------------------------	----------

AFFORDABILITY

TUITION ASSISTANCE

We do our absolute best to ensure that our extraordinary program is accessible to families of all financial means. The Tuition Assistance Program makes it possible to offer a discount of *up to 50%* based on eligibility.

50% Based on eligibility, your tuition can fall within a range 100%

Are there additional fees?

Grymes is proud to be a *FEE-FREE* school. Our bus service is free of charge, and we do not charge fees for the use of technology and participation in athletics, as many other schools do.

What's included in tuition?

Tuition includes most of the tools used for classroom learning, particularly workbooks, daily planners, textbooks, readers, and classroom tools.

FLEXIBLE PAYMENT PLANS

Through FACTS, our online tuition management system, we offer the following payment options:

- One payment in full
- Three installments throughout the year *
- Monthly installments (for the ten-month school year) *

* *Please note that if you plan to pay in installments, an additional 1% fee will be charged for the required purchase of a Tuition Refund Insurance policy.*
